PROFILE

I'm an experienced freelance music composer for film, television, commercials and games. Previous work has been featured on Channel 4's Hollyoaks, and commercials (including MacMillian Cancer support) have been broadcast on ITV, E4 and Channel 5. Previous clients include Chevrolet, Cornetto, Playstation and Coca-Cola. More recently I have composed for the feature film **Guardians** shown at the East End Film Festival, and the documentary film **Yubartas** screened at the New York Wildlife Conservation Film Festival.
